(ii) hire or engage any such person; or

(iii) encourage or induce any such person to terminate his or her employment or engagement with Buyer.

(d) Acknowledgements. Seller agrees to hold all such Confidential Information (as defined below) in strict confidence and not to disclose any Confidential Information to any third party or use any Confidential Information for any purpose other than in connection with the Business prior to Closing, except (a) as required by applicable law or judicial or administrative process (provided that Seller shall provide Buyer with prompt notice of any such requirement and cooperate with Buyer in seeking a protective order or other appropriate remedy), (b) to Seller's attorneys, accountants, and other

professional advisors who have a need to know and are bound by professional obligations of confidentiality, or (c) with Buyer's prior written consent.

5.6 Further Assurances. From time to time after the Closing, at Buyer's request and without further consideration, Seller shall execute and deliver such other instruments of conveyance and transfer and take such other actions as Buyer may reasonably request in order to more effectively consummate the transactions contemplated hereby and to vest in Buyer good and marketable title to the Acquired Assets.

Article VII. INDEMNIFICATION

7.1 Survival of Representations, Warranties, and Covenants.

(a) The representations and warranties of the parties contained in this Agreement or in any certificate delivered pursuant to this Agreement shall survive the Closing and continue in full force and effect for a period of twenty-four (24) months after the Closing Date; provided, however, that:

(i) the representations and warranties set forth in Sections 4.1(a) (Organization and Good Standing), 4.1(b) (Authority and Enforceability), 4.2(a) (Organization and Good Standing), and 4.2(b) (Authority and Enforceability) (collectively, the "Fundamental Representations") shall survive indefinitely;

(ii) the representations and warranties set forth in Section 4.1(k) (Taxes) shall survive until the expiration of the applicable statute of limitations (giving effect to any extensions or waivers); and

(iii) the representations and warranties set forth in Section 4.1(f) (Intellectual Property) shall survive for a period of four (4) years after the Closing Date.

(b) All covenants and agreements of the parties that by their terms are to be performed after the Closing shall survive until fully performed or fulfilled in accordance with their terms.

(c) Notwithstanding the foregoing, any representation, warranty, covenant, or agreement in respect of which indemnity may be sought under this Article VII shall survive the time periods set forth above if notice of a claim with respect thereto has been given prior to the expiration of the applicable survival period.

7.2 Indemnification by Seller. Subject to the limitations set forth in this Article VII, from and after the Closing, Seller shall indemnify, defend, and hold harmless Buyer and its affiliates, officers, directors, managers, members, employees, agents, successors, and assigns (collectively, the "Buyer Indemnified Parties") from and against any and all losses, damages, liabilities, deficiencies, costs, and expenses (including reasonable attorneys' fees and expenses, expert fees, court costs, and costs of investigation) (collectively, "Losses") arising out of or resulting from:

- (a) any breach of any representation or warranty made by Seller in this Agreement or in any certificate delivered by Seller pursuant to this Agreement;
- (b) any breach of any covenant or agreement of Seller contained in this Agreement;
- (c) any Excluded Liability;
- (d) any claim by any person for brokerage or finder's fees or commissions or similar payments based upon any agreement or understanding alleged to have been made by such person with Seller in connection with the transactions contemplated by this Agreement; or
- (e) any claim by any current or former stockholder, member, partner, or equity holder of Seller relating to the transactions contemplated by this Agreement.

7.3 Indemnification by Buyer. Subject to the limitations set forth in this Article VII, from and after the Closing, Buyer shall indemnify, defend, and hold harmless Seller and its affiliates, officers, directors, stockholders, employees, agents, successors, and assigns (collectively, the "Seller Indemnified Parties") from and against any and all Losses arising out of or resulting from:

- (a) any breach of any representation or warranty made by Buyer in this Agreement or in any certificate delivered by Buyer pursuant to this Agreement;
- (b) any breach of any covenant or agreement of Buyer contained in this Agreement;
- (c) any Assumed Liability; or
- (d) any claim by any person for brokerage or finder's fees or commissions or similar payments based upon any agreement or understanding alleged to have been made by such person with Buyer in connection with the transactions contemplated by this Agreement.

7.4 Limitations on Indemnification.

- (a) Basket. Notwithstanding anything to the contrary in this Agreement, no Buyer Indemnified Party shall be entitled to recover under Section 7.2(a), and no Seller Indemnified Party shall be entitled to recover under Section 7.3(a), unless and until the

aggregate amount of all Losses for which indemnification would otherwise be available under Section 7.2(a) or Section 7.3(a), as applicable, exceeds Five Hundred Thousand Dollars (\$500,000) (the "Basket Amount"), and then only to the extent such Losses exceed the Basket Amount; provided, however, that the Basket Amount shall not apply to claims arising from (i) breaches of the Fundamental Representations, (ii) breaches of the representations and warranties set forth in Section 4.1(f) (Intellectual Property), or (iii) fraud or intentional misrepresentation.

(b) Cap. Notwithstanding anything to the contrary in this Agreement:

(i) the maximum aggregate liability of Seller under Section 7.2(a) for breaches of representations and warranties (other than breaches of Fundamental Representations and breaches of the representations and warranties set forth in Section 4.1(f) (Intellectual Property)) shall be limited to the amount held in the Escrow Account;

(ii) the maximum aggregate liability of Seller under Section 7.2(a) for breaches of the representations and warranties set forth in Section 4.1(f) (Intellectual Property) shall be limited to Fifteen Million Dollars (\$15,000,000);

(iii) the maximum aggregate liability of Seller under Section 7.2(a) for breaches of Fundamental Representations shall be limited to the Purchase Price;

(v) the maximum aggregate liability of Buyer under Section 7.3(a) shall be limited to Ten Million Dollars (\$10,000,000); and

(vi) the maximum aggregate liability of Buyer under Section 7.3 (including all subsections thereof) shall be limited to the Purchase Price.

The limitations set forth in this Section 7.4(b) shall not apply to claims arising from fraud, intentional misrepresentation, or willful breach.

(c) Exclusive Remedy. Except for claims based on fraud, intentional misrepresentation, willful breach, or claims for specific performance or other equitable relief, the indemnification provisions of this Article VII shall be the sole and exclusive remedy of the parties for any breach of any representation, warranty, covenant, or agreement contained in this Agreement or any certificate delivered pursuant to this Agreement.

7.5 Indemnification Procedures.

(a) Notice of Claims. A party seeking indemnification under this Article VII (an "Indemnified Party") shall give prompt written notice to the party from whom indemnification is sought (an "Indemnifying Party") of any claim, demand, action, or proceeding (a "Claim") in respect of which indemnification may be sought under this Article VII. Such notice shall describe the Claim in reasonable detail, including the facts and circumstances giving rise to such Claim and the amount of Losses that have been or may be sustained by the Indemnified Party. The failure to give such prompt notice shall not relieve the Indemnifying Party of its

indemnification obligations under this Article VII except to the extent that the Indemnifying Party is actually prejudiced by such failure.

(b) Defense of Third-Party Claims. If a Claim involves a claim or demand made by a third party against the Indemnified Party (a "Third-Party Claim"), the Indemnifying Party shall have the right, upon written notice to the Indemnified Party within thirty (30) days after receipt of notice of the Third-Party Claim, to assume control of the defense, compromise, or settlement of such Third-Party Claim, at the Indemnifying Party's expense and with counsel reasonably satisfactory to the Indemnified Party; provided, however, that:

(i) the Indemnifying Party shall not, without the Indemnified Party's prior written consent (which consent shall not be unreasonably withheld, conditioned, or delayed), settle or compromise any Third-Party Claim or consent to the entry of any judgment with respect thereto that (A) does not include an unconditional release of the Indemnified Party from all liability with respect to such Third-Party Claim, (B) imposes any injunctive or other equitable relief against the Indemnified Party, or (C) includes any admission of liability or wrongdoing by the Indemnified Party; and

(ii) the Indemnified Party shall have the right to participate in (but not control) the defense of any Third-Party Claim with its own counsel at its own expense.

If the Indemnifying Party does not assume control of the defense of a Third-Party Claim within such thirty (30) day period, the Indemnified Party shall have the right to defend, compromise, and settle such Third-Party Claim in its sole discretion, at the Indemnifying Party's expense.

7.6 Calculation of Losses. The amount of any Losses for which indemnification is provided under this Article VII shall be net of (a) any amounts actually recovered by the Indemnified Party under applicable insurance policies with respect to such Losses, and (b) any Tax benefit actually realized by the Indemnified Party as a result of such Losses.

7.7 No Duplication. An Indemnified Party shall not be entitled to recover more than once for the same Loss under this Article VII or under any other provision of this Agreement.

ARTICLE 8: MISCELLANEOUS

8.1 Expenses. Except as otherwise expressly provided in this Agreement, each party shall bear its own expenses incurred in connection with the negotiation, preparation, execution, and performance of this Agreement and the transactions contemplated hereby, including all fees and expenses of agents, representatives, financial advisors, legal counsel, and accountants. All fees and expenses of the Independent Accountant under Section 3.5 shall be shared equally by Buyer and Seller.

8.2 Notices. All notices, requests, demands, and other communications under this Agreement shall be in writing and shall be deemed to have been duly given or made as

follows: (a) if sent by registered or certified mail in the United States, return receipt requested, upon receipt; (b) if sent by reputable overnight air courier (such as Federal Express), two (2) Business Days after being delivered to such courier; (c) if sent by email or facsimile, upon confirmation of transmission by the sender's facsimile machine or email server; or (d) if otherwise actually personally delivered, when delivered, provided that such notices, requests, demands, and other communications are delivered to the address set forth below, or to such other address as any party shall provide by like notice to the other parties:

8.3 Governing Law. This Agreement and all disputes or controversies arising out of or relating to this Agreement or the transactions contemplated hereby shall be governed by, and construed in accordance with, the internal laws of the State of Delaware, without regard to the conflicts of law principles thereof that would require the application of the laws of any other jurisdiction.

8.4 Jurisdiction and Venue. Each of the parties irrevocably submits to the exclusive jurisdiction of (a) the Delaware Court of Chancery, and (b) if such court does not have subject matter jurisdiction, the United States District Court for the District of Delaware, or, if such court does not have subject matter jurisdiction, the Superior Court of the State of Delaware, for the purposes of any suit, action, or other proceeding arising out of this Agreement or any transaction contemplated hereby. Each of the parties further agrees that service of any process, summons, notice, or document by U.S. registered mail to such party's respective address set forth in Section 8.2 shall be effective service of process for any action, suit, or proceeding with respect to any matters to which it has submitted to jurisdiction as set forth above.

8.5 Waiver of Jury Trial. EACH OF THE PARTIES HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL ACTION, PROCEEDING, CAUSE

OF ACTION, OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

8.6 Entire Agreement; Amendments. This Agreement (including the schedules and exhibits hereto) and the other documents delivered pursuant hereto constitute the entire agreement among the parties with respect to the subject matter hereof and thereof and supersede all prior agreements, understandings, negotiations, and discussions, whether oral or written, of the parties. This Agreement may be amended, modified, or supplemented only by a written agreement executed by all parties.

8.7 Assignment; Successors and Assigns. Neither this Agreement nor any of the rights or obligations hereunder may be assigned or transferred by any party without the prior written consent of the other party; provided, however, that Buyer may assign this Agreement and its rights and obligations hereunder to any affiliate of Buyer or to any entity that acquires all or substantially all of the assets or equity interests of Buyer, whether by merger, consolidation, sale of assets, or otherwise. Subject to the preceding sentence, this Agreement shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns.

8.8 No Third-Party Beneficiaries. Except as expressly provided in Article VII with respect to the Indemnified Parties, this Agreement is for the sole benefit of the parties and their respective successors and permitted assigns, and nothing herein, express or implied, is intended to or shall confer upon any other person or entity any legal or equitable right, benefit, or remedy of any nature whatsoever under or by reason of this Agreement.

8.9 Severability. If any term or other provision of this Agreement is invalid, illegal, or incapable of being enforced under any law or as a matter of public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect. Upon such determination that any term or other provision is invalid, illegal, or incapable of being enforced, the parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible.

8.10 Counterparts. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original but all of which together shall be considered one and the same agreement. The parties may execute this Agreement by manual signature or by electronically transmitted signature (including by PDF or facsimile), and any such electronically transmitted signature shall be deemed an original signature for all purposes.

8.11 Specific Performance. The parties agree that irreparable damage would occur if any provision of this Agreement were not performed in accordance with the terms hereof and that the parties shall be entitled to specific performance of the terms hereof, in addition to any other remedy to which they are entitled at law or in equity.

8.12 Interpretation. The language used in this Agreement shall be deemed to be the language chosen by the parties to express their mutual intent, and no rule of strict construction shall be applied against any party. Any reference to any federal, state, local, or foreign statute or law shall be deemed also to refer to all rules and regulations promulgated thereunder, unless the context requires otherwise.
